by contacting ALFA International's
Chicago headquarters.

REVISED JANUARY 2010

© COPYRIGHT 2010
ALFA INTERNATIONAL GLOBAL LEGAL NETWORK, INC.
ALL RIGHTS RESERVED.

This ALFA International Pocket Directory is an easy-to-use listing of all ALFA International Member law firms. The United States Members are listed in alphabetical order by state and then alphabetically by city within each state. Our international Members then appear alphabetically, by country name and then by city. For each Member, an array of important contact information is provided as well as the Member's website address.

ALFA International, formerly known as the American Law Firm Association, is an international network of independently-owned law firms. Founded in 1980, ALFA International is the oldest and one of the largest legal networks in the United States. Its worldwide membership includes 135 law firms with 85 member firms in the United States. Over 9,000 lawyers and another 10,000 support staff work for ALFA International law firms. In the United States, ALFA International's Member firms maintain offices in virtually every major metropolitan area.

ALFA International strives to select and support a single, outstanding law firm to represent the organization in each metropolitan area or state. Candidates for membership must submit to a rigorous evaluation process. While ALFA International firms have often built their reputations on the high caliber of their trial lawyers, most have broad general practices with expertise in many fields.

For the clients of ALFA International law firms, the benefits are many. ALFA International offers clients a reliable network of excellent lawyers, reducing the risks attendant to the selection of counsel in unfamiliar jurisdictions. ALFA International law firms are able to pool their resources, drawing upon the capabilities of many other Members in providing clients with the finest in legal services. ALFA International clients also have access to a wide range of professional and educational resources produced by Member firms, including on-site seminars, tele-seminars, a speakers bureau, and countless reference publications (digests, compendia, manuals, etc.).

Any ALFA International Member listed in this directory will be happy to provide assistance in locating and contacting other Members. In addition, ALFA International staff members at the Chicago headquarters may be contacted by telephone, e-mail, fax, or letter.
