PLACE YOUR BETS!

Managing Risk in an Evolving Insurance Landscape

2025 Insurance Roundtable June 4-6 | The Gwen | Chicago, Illinois

Welcome to Chicago for the ALFA International 2025 Insurance Roundtable. We are so glad you are joining us and we are looking forward to spending time with colleagues and insurance professionals from across the country.

If you are joining us, it is likely because you have some experience in the insurance space. While there may be some avid gamblers among us, even for those of us who do not often find ourselves at the tables or the betting window, we find ourselves dealing with and managing the ultimate game of chance in relation to insurance claims. Do you overpay a case to settle and avoid risk or do you bet the farm on the jury's decision? Is this the storm season where Mother Nature sets her sites on risks you insure setting you up for the ultimate bust? During our time together we will explore ways that the risk of insurance claims and claims related litigation can be managed and minimized. We will explore topics including selecting and preparing 30(b)(6) witnesses, policy limit demands, choice of law, policy rescissions, tort reforms related to insurance, discovery on discovery, leveraging technology to lighten the load and cancellations and lapse of policies for premium nonpayment. We think we have hit the jackpot with all of our panels and we are excited to share our winnings with you.

A great time in Chicago is definitely in the cards. We have sweetened the pot by offering some excellent social opportunities throughout our time together. We will host a casino night where we can all test our luck while engaging and making new contacts and new friends. We will also have the opportunity to explore Chicago with options to explore by boat, bike or bus!
