Roundtable Topics

- 1) Share an example of when you were rewarded by being skeptical of a “too good to be true” situation or when you would have been better served by being a bit more skeptical.
- 2) Share an example and lesson learned from a circumstance where you either had the perfect set of partners or really imperfect.
- 3) Share a story of where keeping a cool head served your company or client.

Thank you!

- RIP Robert Redford (1936-2025)
