Best Practices When the Government Comes Calling

1. Have a plan in place. *The Answer Isn't Blowing in the Wind – Bob Dylan*
2. Call counsel without delay. *Send Lawyers, Guns and Money, The S--- Has Hit the Fan – Warren Zevon*
3. The “Government” is not here to help. *Fight the Power – Public Enemy*
4. Cooperation may be the answer – but not always. *With a Little Help from My Friends – The Beatles*
5. Realize that the wheels of justice turn slowly. *Wait in Vain – Bob Marley*
