Olive Oil Cooking Class

Head over to Mountain Town Olive Oil where you will experience all things olive oil!

Mountain Town Olive Oil Co. offers over 20 different kinds of extra virgin olive oils, including outstanding single varietals from Australia, Europe and California. They take pride in offering the freshest olive oils in Utah and can help you navigate the flavor profiles of each olive oil. In addition, they offer several different fused and infused extra virgin olive oils that can be used for bread dipping to sauté to baking... After sampling some of their unique olive oils, you will partake in a cooking course where you will learn how to use the different styles of oils to create flavor profiles you love!
