

It's a Small World of Evidence

Digital Forensics in the Connected Workplace

1. Consider whether to implement a BYOD policy.
2. Follow your document retention policy.
3. Remember FRCP 26(b)(1) proportionality which is your best chance of limiting overly broad discovery requests.
4. Build a Data Map for ESI.
5. Follow up on the Litigation Hold Notice. It's not one and done.
