ALFA International (ALFAI) is pleased to announce the expansion of its Latin American presence with the addition of Estudio Navarro & Pazos Abogados, a prestigious law firm based in Lima, Peru, effective August 5, 2025.

Founded in 1950 by Dr. Félix Navarro Irvine, a prominent attorney and former Dean of the Lima Bar Association, Estudio Navarro & Pazos Abogados has built a reputation for excellence in providing comprehensive legal services across a wide range of practice areas. The firm primarily focuses on corporate transactions but is also deeply engaged in emerging sectors, including foreign trade, international business development, trade negotiations and institutional relations.

Estudio Navarro & Pazos Abogados has appointed Juan Pazos, Aresio Viveros and Ricardo Puccio to serve as its ALFAI Contact Partners. The firm will actively participate in ALFAI's Latin American Regional Group and the Business Litigation, Construction, Corporate & Commercial Transactions, Insurance, Labor & Employment, Oil, Gas & Energy and Workers' Compensation Practice Groups.

Juan Pazos expressed his enthusiasm for joining ALFAI, stating, "ALFAI provides Estudio Navarro & Pazos Abogados with a remarkable opportunity to broaden our international reach and cultivate connections with highly skilled attorneys who, over time, will become trusted colleagues and referral sources."

Jessica Zaroski Bauer, ALFAI's CEO, echoed this sentiment, noting, "We were introduced to Estudio Navarro & Pazos Abogados through a strong recommendation from Bufete Barrilero, our Spanish member firm, which highly praised Estudio Navarro for its responsiveness, professionalism and extensive legal acumen. Given Peru is a significant market for our clients, we are confident that Estudio Navarro & Pazos Abogados is the ideal choice to serve as ALFAI's Peruvian member."
