ALFA International Welcomes Ferraiuoli as the New Member Firm in Puerto Rico

ALFA International (ALFAI) is pleased to announce that its Board of Directors has approved Ferraiuoli as ALFAI's newest member firm in Puerto Rico, effective March 5, 2026.

Headquartered in San Juan, Ferraiuoli is a top-ranked, full-service law firm serving local, U.S. and international clients. Founded as an intellectual property and corporate boutique, the firm has grown into a multidisciplinary practice comprising more than 70 attorneys who provide premium legal counsel and business consulting across a broad spectrum of industries and matters. Notably, Ferraiuoli maintains the region's only locally based, full-service intellectual property department.

Eugenio Torres will serve as the ALFAI Contact Partner for Ferraiuoli. The firm will actively participate in ALFAI's Latin American Regional Group, the Corporate & Commercial Transactions, Intellectual Property & Information Technology and Labor & Employment Practice Groups, and the Managing Partner Forum.

Eugenio Torres commented, "We are grateful to ALFAI's Board of Directors for approving our membership. We look forward to collaborating with ALFAI member firms to better serve our international clients and become a valuable referral resource for ALFAI clients doing business in our region. We are excited to meet our ALFAI colleagues and clients at next month's Transportation Seminar in Puerto Rico."

ALFAI's CEO, Jessica Zaroski Bauer, echoed the sentiment: "The timing was perfect to add Ferraiuoli to our network before heading down to Puerto Rico for ALFAI's Transportation Seminar. We are eager for Ferraiuoli attorneys to meet their ALFAI colleagues and to be introduced to our many clients who can benefit from their legal expertise. We look forward to building long-standing relationships with our Puerto Rican colleagues."
