ALFA International (ALFAI), the Global Legal Network, is excited to announce the expansion of the network's Latin America presence with the addition of Pittaluga, one of Uruguay's leading law firms, effective October 10, 2023.

Pittaluga, based in Montevideo, has more than 30 years of experience providing high-quality legal services through a dynamic, flexible and modern structure, adaptable to its clients' varied needs. Known as a leading IP firm in Uruguay, Pittaluga also has growing practices in foreign investment, mergers and acquisitions, company structures, commercial, tax, real estate and privacy and information technology.

Pittaluga has named Manuel Pittaluga, Martin Pittaluga and Juan Felipe Orticochea as its Contact Partners. In addition, the firm will be involved in ALFAI's Latin American Regional Group and the Cannabis, Corporate Transactions, Intellectual Property & Information Technology, Labor & Employment, Tax and Women's Initiative Practice Groups.

Manuel Pittaluga stated, "Joining ALFAI provides us with a great opportunity to expand our international practice beyond our recognized IP expertise and will provide us with reliable, high-quality law firms for local clients when international advice is required."

ALFAI's CEO, Jessica Zaroski Bauer, explained, "Pittaluga came to ALFAI's attention through one of our highly regarded clients, who thought the firm would be a valuable addition to the ALFAI network in Latin America.
